

Dignity of the Elderly

March 20 ~ August 13, 2010

The care of the elderly and the elderly house-bound is our special responsibility as Christians. It is the duty of the Church to announce to older people the Good News of Jesus, who is revealed to them just as he was revealed to Simeon and Anna. Jesus comforts them with his presence. He causes their hearts to rejoice at the fulfillment of hopes and promises that had kept alive in their hearts (cf Lk 2:25-38)

The workshops and seminars for caregivers, health professionals and the elderly themselves are organized by SPI, in conjunction with Caritas Singapore and Family Life Society. We hope to bring about a greater awareness of the needs of the elderly and how to help them spiritually and physically.
