

Walking with women in the New Testament

SPI invites you to join **Sr Susan Thomas, FMM** for 5 sessions to look at the **Women in the New Testament**. What kept them faithful followers of Christ? Were they feeling despair and hopeless when faced with the grim and daunting fact that Jesus would die? Yet, what kept them faithful even at the foot of the cross? From these women's faithfulness, we are inspired. We can learn from them especially in this time of crisis, and to know that our God is a faithful God, for "we may be unfaithful, but he is always faithful, for he cannot disown his own self." (2Tim2:13) And that he is drawing us back to communion with him through his son.
